## PROFESSIONAL SUMMARY

Enthusiastic MCA student with a strong foundation in Python, Artificial Intelligence, Machine Learning, Prompt Engineering and Microsoft Azure (AZ-900). Certified AI Professional with hands-on experience developing AI-powered applications and publishing AI research. Seeking an entry-level opportunity in AI/ML, Python or Data Analytics.

## TECHNICAL SKILLS

Python, SQL, HTML, CSS | Machine Learning | ANN | NLP | NumPy | Pandas | Matplotlib | Seaborn | Scikit-learn | MySQL | Azure (AZ-900) | Git | GitHub | VS Code | Jupyter | Google Colab | ChatGPT

## PROJECT

AI-Powered Resume Screening & Job Recommendation System

- Developed an AI-based application to analyze resumes and recommend suitable job roles.
- Implemented NLP for resume parsing and keyword extraction.
- Built ML models for intelligent recommendation.
- Designed an intuitive interface for resume upload and recommendations.

## EDUCATION

MCA | Shivaji University, Kolhapur | CGPA: 7.97 | 2024–2026

B.Sc. Chemistry | BVP's M. B. S. K., Kadegaon | CGPA: 9.18 | 2020–2023

## CERTIFICATIONS

- AI Professional – WsCube Tech
- Microsoft Azure Fundamentals (AZ-900) - Udemy
- Python for AI & ML - Udemy
- Prompt Engineering - Udemy

## RESEARCH & ACHIEVEMENTS

- Published research paper: 'Role of Artificial Neural Network in Rainfall Forecasting' in IRJMETS.
- AI Mastery Quiz Competition Certificate.
