B Tech | Artificial Intelligence,
G.H.Raisoni Institute of Engineering and Business Management, Jalgaon.
8.19 CGPA
Final Year Student of 2024 Batch.

2017 – 2021

Diploma | Computer Science,
G.H.Raisoni Institute of Engineering and Business Management, Jalgaon.
83.54 %

SKILLS

PROFESSIONAL EXPERIENCE

Jun 2023 – Dec 2023

Fusion Software, Data Scientist
Present, Pune

As a Dedicated **Data Science** Intern, I Collaborated with a team of data scientists and engineers to develop and acquiring a robust Skill set in **SQL, Python, Machine Learning, Tableau, Statistics, Deep Learning And Data Mining** Techniques, Honing My ability to extract actionable insights from complex datasets.

2021 – 2023

7Tech IT Services, Front-end Web Developer

Demonstrated expert proficiency in **HTML, CSS, Bootstrap** and **Angular JS**, leading to the successful completion of 5+ projects with exceptional client satisfaction.

CERTIFICATES

- Web Development
- Python
- IDS Blockchain

PROJECTS

Cafe Management System

Creating the "**Cafe Management System**" project has been a dynamic and collaborative journey that leverages the power of **Angular, Node.js**, and **MySQL** database technologies. The project's workflow seamlessly integrates front-end and back-end development, ensuring a robust and user-friendly solution for cafe owners and staff.

Cricket Data Analytics

I successfully executed an end-to-end Cricket Data Analytics Project by leveraging my skills in **Python, Power BI, Matplotlib, Seaborn**, and advanced Data Manipulation Techniques. This comprehensive project involved web scraping data from ESPNcricinfo, followed by meticulous data cleaning and transformation using Pandas.

This project not only demonstrated my proficiency in data science and analytics but also highlighted my ability to tackle complex data challenges and present meaningful results for informed decision-making.

STRENGTH

- **Good Problem Solving Ability and Analytic Skill to Solve the Problem efficiently.**
- **Proven Leadership Skills with Experience Managing Teams and Driving Successful Outcomes.**
- **Proficient in Microsoft Office Suite, including Excel, Word and Powerpoint.**
